

...or anti-discrimination and affirmative action plans. ... impose obligations on employers with respect to the management of their equal employment opportunities.

Accordingly, Cold Spring Harbor Laboratory will continue to conduct its business and practices in a manner that is consistent with the goals of the law.

...of race, color, religion, sex, ... and make Cold Spring Harbor Laboratory a stronger company and a more rewarding place for all employees to work.

The Affirmative Action Plan for Protected Veterans
Cold Spring Harbor Laboratory extends an invitation to self-identify as a protected veteran and/or individual with a disability to all applicants, both pre- and post-offer. This is a voluntary and confidential process. Your refusal to provide this information will not subject you to discharge or disciplinary treatment.
